### Garlic Pizza Bread - 4.5

The quintessential pizza side dish

### Cheesy Garlic Pizza Bread - 5.5

The quintessential pizza side dish's naughty sibling...

### Wonderwall - 8 (v)

Everyone knows this one, simplicity done right! San Marzano tomato, Fior de Latte mozzarella & basil.  
Everything you need, nothing you don't.

### Smoke On The Water - 9 (v)

"0-3-5" Sweet caramelised onions, salty black olives and fresh, peppery rocket.  
A tremendous balancing act of vegetarian friendly flavours. Great with a hoppy pale ale.

### Whole Lotta Love - 9

The classic pepperoni pizza and a whole load of it. Extra cheesy and extra meaty, this is surely the most indulgent of the lot. If indulgence is what you are after, make sure to check out our "Big Beer" tap, you can't go wrong with that combo.

### Fireball - 9.5

Spicy Italian 'Nduja and fresh chilies bring the heat which is then craftily quelled by a drizzle of sweet honey,  
this pizza is crying out for a creamy stout or porter.

### Ramble On - 9.5

This pizza is a great way to show off the wonderful ham from Trussel's in Knebworth (our favourite local butchers!),  
served up with portobello mushrooms and creamy ricotta.
